PROBLEM STATEMENT

It is difficult to showcase skills, projects, and achievements using only a paper resume. A digital portfolio is needed to present personal information, work samples, and abilities in an attractive and easy-to-access way.

PROJECT OVERVIEW

A Digital Portfolio is a personal website that showcases an individual's skills, achievements, projects, and experiences in an organized and visually appealing way. It serves as an online resume and professional identity that can be shared with potential employers, clients, or

WHO ARE THE END USERS?

1. Recruiters / Employers – to review skills, projects, and qualifications for jobs.

2. Clients / Customers – to assess past work before giving projects or services.

3. Teachers / Professors – to evaluate academic work, progress, or learning outcomes.

4. Peers / Colleagues – to collaborate, give feedback, or get inspired.

TOOLS AND TECHNIQUES

1. Home – Name, photo, tagline

2. About – Bio, skills

3. Projects – Work samples with images/links

4. Resume – Education, experience

5. Contact – Email, socials

POTFOLIO DESIGN AND LAYOUT

A well-structured portfolio design ensures clarity, easy navigation, and visual appeal. The layout should be simple yet professional, highlighting key sections like profile, skills, projects, resume, and contact. Consistent use of colors, fonts, and spacing improves readability, while organized placement of images, links, and text makes the portfolio engaging and user-friendly
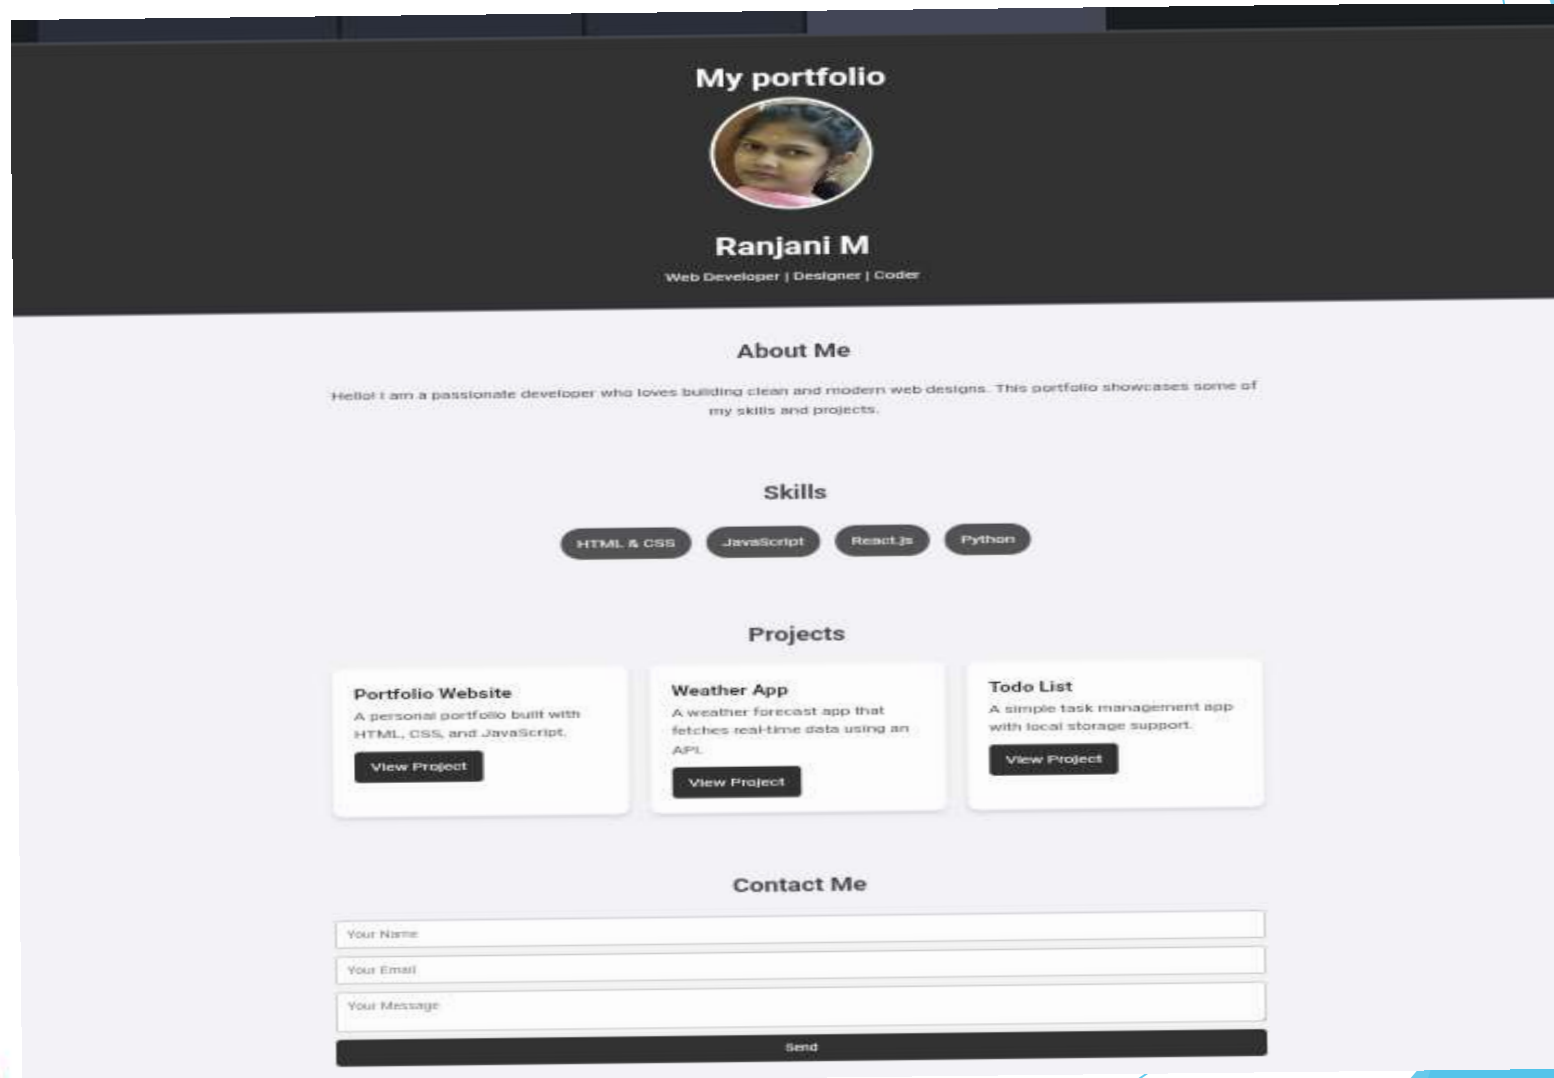

FEATURES AND FUNCTIONALITY

Features: Profile, skills, projects, resume, links

Functionality: Navigation, responsive, editable, secure

RESULTS AND SCREENSHOTS

CONCLUSION

A digital portfolio is an effective way to showcase skills, achievements, and creativity in an organized online format. It helps individuals present their work professionally, increases visibility, and makes it easier for employers, educators, or clients to evaluate their capabilities. Overall, it is a modern tool for personal branding, career growth, and academic or professional opportunities.
